

NEW! "ELIMINATOR" IMPACTO™ KNEE/SHIN PROTECTOR

Mar 3, 09 Belleville, ON, Canada

Impacto Protective Products Inc. specializes in design, manufacturing and distribution of custom ergonomic products to help prevent cumulative trauma and repetitive strain injuries.

The latest innovative product added to their ergonomic line of Knee Protection is the **#777-00 Eliminator Knee/Shin Protector.**

Gel filled padding provides maximum protection and reduces pressure directly on the patella. Padding made with injected Super Gel and foam for extreme comfort. Elevated Face Improves stability and traction, absorbs impact and helps support the knee. Patented rubber prevents marring and scratching delicate surfaces. Extended shin and heel provides maximum support to the knee, shin, and ankle. Innovative sliding lower strap easily adjusts to fit different calf sizes. Straps are positioned above and below the calf muscle to hold kneepad securely in place. Hook and loop closure ensures comfortable fit. **Made with 100% PVC-Free materials for a clean environment!**
