

## Introducing the New **IMPACTO®** **Hi-Visibility Anti-Vibration Air Glove®**

Sep 1, 09 Belleville, ON, Canada

Impacto Protective Products Inc. specializes in design, manufacturing and distribution of custom ergonomic products to help prevent cumulative trauma and repetitive strain injuries.

One of their latest innovative products added to their ergonomic Hand & Wrist Protection Line is the **#BGHIVIS Mechanic's style High Visibility Air Glove®**.

**IMPACTO®** Mechanic's glove style designed for maximum comfort, dexterity and safety. Used with vibrating power tools at night or in low-light conditions.

Patented Air technology protects the palm, thumb and fingers. Synthetic Ultra Suede leather provides excellent wear and flexibility. Textured patches on palm and finger tips ensure superior grip.

Reflective strips on the back of the hand and finger tips enhance visibility at night and in low light conditions. Glow in the dark wrist cuff with adjustable hook/loop closure. Bright glove mesh back allows hand ventilation.

Fully machine washable.

The **BGHIVIS** meets anti-vibration glove standard

**ANSI S2.73-2002 (R 2007) / ISO 10819:1996** and  
**ISO 10819**
