

## NEW IMPACTO™ MAX7

May 4, 2007, Belleville, ON, Can. Impacto Protective Products Inc. specializes in design, manufacturing and distribution of custom ergonomic products to help prevent cumulative trauma and repetitive strain injuries.

The IMPACTO™ MAX7 features X7 Gel Technology™\* for maximum impact force dissipation in the palm and side of hand. Originally designed for use on a major auto manufacturer's assembly line, the MAX7 is ideal for many tasks where repetitive hand striking and impact is a major concern. Half finger style ensures finger agility. Nylon mesh back provides breathability. Soft pliable padding allows for excellent grip and dexterity. Adjustable wrist closure for comfortable fit. Available in a wide range of sizes.
