## Introducing the New IMPACTO® Dry Riggers Gloves designed for the Oil and Gas Industry

Impacto Protective Products Inc. specializes in design, manufacturing and distribution of custom ergonomic products to help prevent cumulative trauma and repetitive strain injuries.

One of the latest innovative products added to the Hand Protection Line is the **WGRIGG**.

Oil and water resistant gloves help prevent hairline fractures, bruising and pinched fingers; protect the hand and fingers from impact and abrasion; designed to ensure excellent dexterity, fit and comfort. Ultimate hand protection for workers in oil and gas extraction & well drilling to prevent finger pinching, severe cuts, abrasions & crushing injuries. The New IMPACTO Dry Riggs work extra hard to ensure protection!

### Features and Benefits

- Neoprene cuff offers excellent fit
- High-visibility yellow laminated fabric on the back of the hand repels oil & water
- Ultra Suede fabric in the palm repels oil & water
- Under layer of PVC nitrile offers an extra barrier of protection in oily conditions
- Silicone dots on the palm and fingertips provide excellent grip
- Heavy duty TPR padded across the knuckles
- Heavy duty TPR on back of fingers, thumb & back of the hand protects against bruises & bumps
- Durable patches in the webbing area assure long wear
