

# New! IMPACTO® SAFETY TOE CAP

The **IMPACTOE™** is a **safety footwear device** that protects the toe area. Ideal for any working environment that carries a risk of accidental toe damage or has a steel toe cap requirement.

Designed to fit tightly over existing shoes, providing a solid steel cap to protect the toes against accidental crushing or stubbing.

Perfect for visitors, temporary workers, management, clerical staff and salesmen. The **IMPACTOE™** is transferable from person to person without concern for hygiene or size restraints.

Effective, simple and resilient, the **IMPACTOE™** is a perfect solution for toe protection.

- **Molded injected seamless vulcanized rubber**
- **Unique material, flat, anti-slip design sole for improved slip resistance**
- **Acid, oil, and animal fat resistant, 100% waterproof**
- **Will not harden, stiffen or crack, even in the coldest weather**
- **Pull-on-tab and wide shank for true slip-on entry to provide stretch**
- **Impact rated to 100 Joules (75 Lbs) by SATRA**
- **European CE Marked, SATRA M21: 2006**
- **Sold per Pair, available in multiple sizes**

## The IMPACTOE™ is PVC-Free

Major corporations have instituted PVC phase-out policies to reduce or eliminate the toxic plastic from their products and packaging. This is part of a market growing trend to help protect the environment.
