FITTING INSTRUCTIONS If your shoe size does not correspond exactly to the size range indicated, you may trim the front part of the insole with a pair of scissors. **DO NOT TRIM THE HEEL AREA.** Before inserting ASMOLD insole remove any existing insoles from the shoe. For ASFLAT, existing insoles can be left in the shoe as long as fit is comfortable.

CARE INSTRUCTIONS Hand wash or wipe the surface with rubbing alcohol or warm soapy water. Hang to Dry.

IMPORTANT It is recommended that once inserted the insoles remain in the shoes. Continual removal of insoles from one pair of shoes to another may cause deterioration.
