

IMPACTO® KNEE PROTECTION

All-Terrain GEL Comfort Knee Pads

Model **865-01**

- › Snap-on removable cover for use without cover or replaced with covers: 875-ACC (hard/smooth) or 875-ALR (leather cover)
- › Gel pad reduces pressure directly on the patella bone
- › Elevated face improves stability and traction, absorbs impact and helps support the knee
- › Co-polymer thermoplastic rubber prevents marring and scratching delicate surfaces
- › Maximum protection when working on your knees for long periods
- › Meets international kneepad standard EN 14404 + A1:2010
- › Made with 100% PVC-Free materials
- › Variations:
864-00 - shorter style
865-00 - sewn on cover
865-20 - with snap-on leather cover to resist heat and sparks

Elevated Face improves stability & traction, absorbs impact, helps support the knee while acting like a suction cap to prevent from rocking

Extended Treads absorbs pressure around the perimeter of the knee

Extended Heel supports the shin & helps distribute body weight and reduce stress on the ankles and distributing the body weight evenly to prevent back discomfort

Soft fabric inner lining wicks away moisture and provides comfortable wear

Dual straps, top is elastic with hook and loop. Bottom is nylon with plastic clip buckle

Ballistic Nylon outer top cover is highly resistant for most work environments

Heavy duty binding assures long lasting wear
