

IMPACTO® HEEL TRACTION

Targeted Ice Traction Cleats

- Lightweight and extremely durable anti-slip ice traction cleats provide reliable traction on ice and slippery surfaces.
- Heel-only design is ideal for drivers and workers who continually move in and out of vehicles. Can be worn comfortably while walking and climbing ladders.
- Adjustable straps and tension fit system provide a secure fit. Quick connect hook and loop closure makes for easy on/off.
- Wear easily over most winter and steel-toe footwear with flat sole or low profile heel.
- Replaceable heat-treated cleats extend the products lifespan.
- Easy to stow and store in a glove box or coat pocket.
- Made of Thermo Plastic Elastomer (TPE) that performs in temperatures as low as -45 degrees Fahrenheit.
- Available with replaceable steel or non-sparking brass cleats.
- One size fits most.

Size	Cleat Style	Part Number
UNIV	Steel	HEELTRACTION
UNIV	Brass	HEELTRACTIONB
