

IMPACTO® FR MIDCLEAT®

Versatile Ice Traction with FR Strap

- The IMPACTO MIDCLEAT can be easily flipped to the top of the boot to prevent slipping or marking floors
- Ideal for workers moving from outside to inside
- Adjustable HAVIS Reflective FR Strap for superior thermal protection from flames, industrial fires and electric arcs
- Made with 100% Kevlar stitching in the strap for durability
- Replaceable heat-treated cleats extend the products lifespan and provide excellent traction on snow and ice
- Comes with brass non-sparking cleats that are compliant to EN ISO 80079-36:2016, Edition 1.0 and EN ISO 80079-37:2016, Edition 1.0" or equivalent. Meets Class I (Flammable Gases), Class II (Combustible Dusts) and Class III (Fibers and Flyings), for all zones and EPL (Equipment Protection Level)
- FR Strap meets the ASTM-D6413 standard and is certified to meet FMVSS 302 Flammability Tests
- Lightweight for all-day comfort and protection
