

IMPACTO® WRIST SUPPORT

UNIVERSAL WRIST SUPPORT

Helps alleviate and prevent injuries caused by repetitive tasks
Soft padding on top and bottom provides compression & support

Model #EL420

- › Helps prevent repetitive strain injuries (RSI) such as Carpal Tunnel Syndrome and Tendonitis
- › Limits over extension and over flexion of the wrist without restricting mobility
- › Provides light but firm compression to counteract tissue swelling and improved blood flow
- › Temporary relief from pain/soreness associated with sports injuries, arthritis, repetitive motion at work and RSI
- › Ideal for repetitive activities such as cashier, keyboarding, assembly line, packaging
- › Mesh lining is breathable and wicks away moisture and allows ventilation
- › Durable vinyl outer cover
- › Adjustable wide elastic strap offers firm support
- › Adjustable hook & loop closure
- › Reinforced stitching

COMPRESSION & SUPPORT

Repetitive Strain Injuries, RSIs are an everyday concern and can include everything from tendonitis to lower back strain. IMPACTO WRIST WRAPS provide natural support and compression for prevention, treatment and rehabilitation of injuries, sore wrists and repetitive strain. WRIST SUPPORTS keep the area warm to help increase circulation and provide compression and support. Designed with durable and flexible multi-layered materials with reinforced stitching to ensure long lasting wear. Soft lining wicks away moisture and allow skin ventilation for all day comfort.
