

IMPACTO® FOOT PROTECTION

ERGOMATE™ LITE

100% Mobile Anti-Slip and Anti-Fatigue Coverage

Effective solution for relief of tired, sore, feet, knees and back improving safety and comfort. Allows the muscles to expand and contract naturally as they adjust to the flexibility and give-and-take of the cushioning material.

For Occasional Users | Improves Circulation | Outstanding Traction

- › Exceptional fit for the occasional user; like trade show participants, plant managers or office managers. They also work great for lighter individuals (>150lbs) and or for those recovering from lower body, leg, foot or related MSD injuries
- › Anti-Fatigue single layer PVC Sole with EVA cushion foam helps reduce impact shock, pain and discomfort to lower body
- › Resistant against most oils, solvents and cleaning agents
- › Comfortably worn over closed shoes, boots and safety shoes
- › Superior Slip Resistance wet or dry
- › Insulates feet from cold, wet hard floors
- › Patented strapping system employing quick snaps for snug comfortable

ErgoMates™
