

IMPACTOE® TOE CAPS

STEEL TOE CAP OVERSHOES

- > Made of TPR, a molded injected seamless vulcanized rubber
- > Sole is made with unique flat and textured material for improved slip resistance
- > Overshoe is resistant to acid, oil and animal fat
- > 100% waterproof
- > Will not harden, stiffen or crack, even in the coldest weather
- > Pull-on-tab and wide shank for true slip-on entry to provide stretch
- > 100% PVC free to help protect the environment

The IMPACTOE™ is a safety footwear device that protects the toe area. Ideal for any working environment that carries a risk of accidental toe damage or has a steel toe cap requirement. Designed to fit tightly over existing shoes, providing a solid steel cap to protect the toes against accidental crushing or stubbing.

Effective, simple and resilient, the IMPACTOE is a perfect solution for toe protection. Perfect for visitors, temporary workers, management, clerical staff and salesmen.

The IMPACTOE is transferable from person to person without concern for hygiene or size restraints.

Recommended for use in any industry, especially construction and heavy work environments. Anti-slip sole is perfect for greasy or oily surfaces.

Steel Toe Meets Impact Resistance and Compression Resistance 75 LB. Rating per ASTM F2412/F2413.

Impact rated to 100 Joules (75 Lbs) by SATRA European CE Marked, SATRA M21: 2006.

PART No.	Dot Color	North America	UK	Europe	Mexico	Case Qty
