

IMPACTO® MIDCLEAT® SC

Now with 3/16" Hex Pin Style Cleats

Smaller Cleats work well around metal grating and metal stairs

- » Ideal for workers moving from outside to inside
- » The IMPACTO MIDCLEAT can be easily flipped to the top of the boot to prevent slipping or marking floors
- » Adjustable reflective high visibility strap
- » Smaller replaceable cleats provide outstanding traction on ice and snow
- » Non-sparking brass cleats are compliant to EN ISO 80079-36:2016, Edition 1.0 and EN ISO 80079-37:2016, Edition 1.0" or equivalent. Meet Class I (Flammable Gases), Class II (Combustible Dusts) and Class III (Fibers and Flyings), for all zones and EPL (Equipment Protection Level)
- » Lightweight for all-day comfort and protection
- » Unsurpassed traction
- » Made in USA & Canada
