

IMPACTO® FR STRAP MIDCLEAT®

Versatile Ice Traction With FR Strap

Nomex® meets the ASTM F1506 standard for workers' apparel and protection from electric arc exposure. It is certified to NFPA 2112

- › The IMPACTO MIDCLEAT can be easily flipped to the top of the boot to prevent slipping or marking floors
- › Ideal for workers moving from outside to inside
- › Adjustable Nomex® FR Strap for superior thermal protection from flames, industrial fires and electric arcs.
- › Nomex® is inherently flame resistant and does not burn or melt and drip.
- › Nomex® fibers will provide protection and will not wash away with prolonged use.
- › Replaceable cleats provide excellent traction on snow and ice
- › Comes with brass non-sparking cleats that are compliant to EN ISO 80079-36:2016, Edition 1.0 and EN ISO 80079-37:2016, Edition 1.0" or equivalent. Meets Class I (Flammable Gases), Class II (Combustible Dusts) and Class III (Fibers and Flyings), for all zones and EPL (Equipment Protection Level)
- › Lightweight for all-day comfort and protection
