THERAPEUTIC COMPRESSION & SUPPORT

- » Repetitive Strain Injuries, RSIs are an everyday concern and can include everything from tendonitis to lower back strain
- » IMPACTO THERMO WRAPS provide natural heat therapy for prevention, treatment and rehabilitation of injuries, arthritic pain and repetitive strain
- » THERMO WRAPS captures body heat, increase circulation and provide compression and support to the affected area
- » Designed with durable and flexible multi-layered materials with reinforced stitching to ensure long lasting wear
- » Soft lining wicks away moisture, allow skin ventilation and helps prevent skin irritation
- » Machine washable
- » THERMO WRAPS are worn directly against the skin
