Storage And Transport:

When not in use, store this garment away from extremes of temperature. If it is wet, allow it to dry slowly and naturally away from direct heat sources before placing it into storage.

Wear Life:

The exact useful life of this garment will greatly depend on how and where it is used as well as following storage and care instructions. It is therefore important that you examine it before use and replace it as soon as it appears to be unfit for wear. If it becomes damaged, it will NOT provide the optimum level of protection, and therefore should be replaced as soon as is practicable. Never knowingly wear damaged product while carrying out a risk related activity. This garment does not have an expiry date.

Limitations of Use:

These products are physiological aids. It is important to follow using instructions. The use of this PPE does not reduce the hazard itself nor does it guarantee permanent or total protection.

After Care:

Follow the manufacturer's recommendations for washing and cleaning. To ensure optimum protection, regular comparisons are recommended against a new product. The company will not accept liability for product, whose use and care advice has been ignored.
